**Answer: Both take a lot of practice.**

A player becomes great at hockey after hours and hours of ice time. A child becomes great at reading after hours and hours of story time.

Score a goal with some of these hockey books for young children:

**Z is for Zamboni: A Hockey Alphabet** by Melanie Rose

**The Hockey Sweater** by Roch Carrier

**The Magic Hockey Stick** by Maloney Zelauskas

**The Magic Hockey Skates** by Allen Morgan

**Moccasin Goalie** by William Roy Brownridge

Pathways in the brain that enable a child to react and think quickly are strengthened through repeated experiences.
