

St. Patrick's Day paper craft

Three green hearts that meet at the point look like a shamrock. Create a leprechaun by drawing legs, arms and a head onto the shamrock.

A collage or mobile of hearts makes a great Valentine too.

Valentine's Day paper craft

Cut heart shapes from construction paper in different sizes. Use a full sheet of paper as a background for gluing the hearts onto.

Crafts:

- Develop writing skills by strengthening arm, hand and finger muscles, as well as coordination
- Aid language development
- Stimulate imagination
- Help children understand sequence
- Teach math concepts
