

Directions for Father’s Day card:

- Print pages double-sided on a single sheet of letter-size card stock.
- Fold the printed card in half so that “Happy Father’s Day” is on the front.
- Use the bordered empty front frame for either a photo of the child or a drawing the child creates for dad or grandpa.

Directions for Mother’s Day card:

- Print pages double-sided on a single sheet of letter-size card stock.
- Fold the printed card in half so that “Pat your head...” appears on the front.
- Cut another sheet of card-stock in half so that it is the same size as the folded card.
- Make a fold in the half-sheet of card-stock about 4 cm from one of the short sides.
- Create a lift-the-flap effect by placing the folded edge over the right-hand inside page. You should be able to see “And hug your mommy.” below the flap.
- Secure the flap in place by gluing the folded edge to the back page of the card.
- Attach a photo of the child and mother underneath the flap.
- Encourage the child to decorate the top of the flap with crayons or stickers etc.
