

The Internet at Home

- ✓ Learn more about the Internet, and what your kids do on it.
- ✓ Put your computer in a well-used area of your home.
- ✓ Make a family agreement on Internet use.
- ✓ Stay right next to young kids when they are online.
- ✓ Create your own list of great sites.
- ✓ Teach your children never to give out personal information.
- ✓ Talk openly to your children about Internet use and dangers.
