

The WEB

Writing Activity

The WEB provides a format for brainstorming and organizing ideas as well as spelling and vocabulary for writers.

You Need:

WEB activity sheets (see next pages) or plain letter sized paper.

Pencils and pens

WEB writing idea cards (see next pages)

Instructions:

The large group is divided into pairs.

Each pair is given a WEB activity sheet or plain piece of paper.

Each pair is given a writing idea card.

The pairs create a WEB based on the idea on the card.
